## **C. Narrating an outing experience**

### Model text

*Dulu tahun 1998, waktu aku kecil, usia sembilan tahun, saya pernah pergi ke Taman Safari di daerah Puncak, Bogor. Saya pergi ke situ dengan adik dan saudara sepupu saya.*

*Di situ kita bisa naik mobil lewat banyak zona berbeda dari berbagai binatang liar dan buas, seperti harimau, singa, zebra, dan lain-lain.*

*Suatu kenangan tak terlupakan dan pengalaman yang sangat membuat senang pada waktu itu adalah ketika saya dapat mengelus anak harimau dan menggendong orang utan. Mungkin suatu hari saya bisa ke sana lagi dengan anak-anak saya.*

### English translation (gloss)

In the past year 1998, when I small, age nine year, I have went to Taman Safari in area Puncak, Bogor. I went to there with younger sibling and my cousin.

There we can ride car through many different zones from variety wild and ferocious animals such as tigers, lions, zebras and others.

One memory unforgettable and experience which very make me happy at that time was when I could pat and cuddle orang utan. Maybe one day I can to there again with my children.
